April 2026

This Month...

Along with our regular Montessori lessons, the children will be exploring Easter, the Earth, stewardship of God's Earth and springtime.

Easter Celebration...

We will be celebrating the Easter story with some fun activities and games on April 1st and 2nd. You do not need to send anything in but if you do, please make sure it is individually wrapped to go home.

Ms. Kathy's 3s have 10 children in class.

Ms. Donna's 3s have 8 children in class.

Ms. Kathy's 4s have 7 children in class.

Ms. Donna's 4s have 6 children in class.

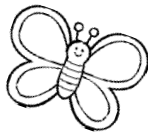

Spring is here...

Hopefully warmer, dryer weather will be coming our way so we can get the children back out on the playground daily. Please dress your child for outdoor play. In the event of hot sunny weather, please put sunblock on your child right before school.

Looking Ahead...

**Graduation for our 4s classes will be held in the evening on Friday, May 22nd. All 4s students will be graduating at 6:30 pm (doors will open at 6:15 pm.) The ceremony will be approximately 20 minutes long. We are asking that each family limit their guests to 12 people please.

**Last day for 3s classes is Thursday, May 21st. Last Day for 4s classes is Friday, May 22nd.

Enjoy April and Happy Spring!
