**Happy New Year!**

## **This month at school...**

Throughout the month of January, we will be exploring snow, ice and all things winter.

## **Parent Notes...**

**\*Our Healthy Children Policy states that if your child has had a fever, vomiting or diarrhea within the last 24 hours, please do not send them to school. Even if they are feeling better and say they want to come to school, it is best to keep them home so they do not spread their illness or pick up any other germs. Thanks! 😊**

## **Thank You...**

**Thank you for supporting our Cindy's fundraiser! We appreciate the help always.**

**Best wishes to all for a healthy, happy 2026!**

**Have a terrific month!
